

ARMOR COAT

Protective Coating and Conditioner

PRODUCT DESCRIPTION & BENEFITS

ARMOR COAT penetrates, conditions and protects leather, vinyl, finished wood, acrylics, plastics and rubber. Original beauty and luster can be restored to vinyl tops on cars, furniture, chairs, tires, dashboards, luggage and many other surfaces.

ARMOR COAT guards against damage from moisture, oxidation, ozone and the sun's ultraviolet rays. These ordinary environmental conditions can dull, fade, embrittle and prematurely age many materials.

ARMOR COAT conditions materials to restore life and resiliency; then forms a protective barrier to preserve and extend the usable life. And it makes surfaces anti-static to repel dust and dirt.

- Protects and beautifies
- Penetrates and conditions
- Forms a protective barrier
- Anti-stat repels dust and dirt
- Restores luster and appearance
- Odorless, non-toxic, non-flammable, safe and easy-to-use

DETAILED USAGE & INSTRUCTIONS

1. Surface to be protected should be clean and dry. Remove all dirt, dust, grease and oil.
2. *SHAKE WELL.*
3. Apply evenly, using a sprayer, cloth or sponge and allow to penetrate for 3 to 5 minutes
4. With a clean, dry cloth, wipe off excess and buff surface to a gloss. Repeat application periodically to maintain beauty and protection. Initially, two applications give best results.

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.

TECHNICAL SPECIFICATIONS

Appearance / Color	Opaque white
Odor	Slight
Shelf Life	2 years
Solubility in Water	Complete
Foaming	None
pH	5.5 ± 0.005
Specific Gravity	1.004 ± 0.005
Storage Temperature.....	45-110 °F

FEATURES & BENEFITS

- Protects and beautifies
- Penetrates and conditions
- Forms a protective barrier
- Anti-stat repels dust and dirt
- Restores luster and appearance
- Odorless, non-toxic, non-flammable, safe and easy-to-use
