

BLU FOME

Heavy Duty Pot & Pan Detergent

PRODUCT DESCRIPTION & BENEFITS

Get the best of grease and grime with swift and strong BLU FOME. Special fast-acting, high-powered suds penetrate deep into stubborn food, grease and carbon residues to dissolve them and float them away. Eliminates spotting too, thanks to ingredients which do not react to water's calcium and magnesium salts. One rinse and your dishes and silverware, pots and pans air dry to a gleam—all in less time than you thought possible. BLU FOME is economical. In competitive laboratory tests BLU FOME outperformed all other detergents by cleaning more dishes per ounce. All this and gentle, too. Gentle on hands because it contains emollients which soften skin.

DETAILED USAGE & INSTRUCTIONS

Sink #1 (Wash Tank): Fill with hot water (110°F) and BLU FOME at the rate of 1/4 - 1/2 ounce per gallon of water, depending on soil level.

Sink #2 (Rinse Tank): Fill with clean water (110-120°F).

Sink #3 (Sanitizing Tank): Fill with hot water and Sanitizer or No Rinse Sanitizer.

Dishwashing: (1) Submerge scraped utensils in Wash Tank. Allow to soak. Scrub utensils (inside and outside) with pot brush or scouring pad. (2) Rinse thoroughly in RINSE Sink. Immerse Time: 30 Seconds. (3) Place utensils in SANITIZE Sink. Immerse Time: 1 Minute.

Change detergent solution as soil load becomes apparent. Change rinse water often. Test sanitizer solution periodically and change as needed to maintain required sanitizer/water ratio or when water becomes visibly dirty.

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.

TECHNICAL SPECIFICATIONS

Appearance / ColorClear Blue
OdorFloral
Shelf Life2 years
Solubility in WaterComplete
Foaming.....High
pH8.5 ± 0.5
Specific Gravity.....1.0144 +/- 0.005
Storage Temperature.....45-110 °F

FEATURES & BENEFITS

- INSTANT ACTION SUDS
- DISSOLVES Dried-on, Cooked-on SOILS FAST
- RINSES THOROUGHLY for Spotless Drain Drying
- Formulated GENTLE TO HANDS
- SUPER ECONOMY at Use Levels
