

# BLUE EYES PLUS

## Premium Glass Cleaner Concentrate

### PRODUCT DESCRIPTION & BENEFITS

Blue Eyes Plus is a carefully balanced blend of solvents, wetting agents and soil suspending ingredients. It dissolves the cloudy film from windows, mirrors, television screens, computer monitors and other glass and highly polished surfaces. Blue Eyes Plus even cuts right through the smoke laden film on the inside of automobile windows and windshields.

### DETAILED USAGE & INSTRUCTIONS

Rotate nozzle to "on" position.

1. Spray a light mist over the entire surface to be cleaned.
2. Wipe off with a clean, soft, absorbent cloth.

For small and hard to reach areas, spray directly onto cloth and wipe. Large Area Cleaning: Apply solution with window brush, doing one section at a time. Remove solution with squeegee and wipe off excess from blade and frames with clean cloth.

Recommended Uses: Great for use on mirrors, Plexiglas, chrome, stainless steel and bathroom fixtures. Also works well on Formica, Corian and other hard surfaces, as well as windows and windshields.

**Dispensed System Operating Procedures:** Turn on water source to wall mount unit. Uncap the reload cartridge. Firmly place one hand on top of the wall mount dispenser holding the cartridge from the bottom, push it up into the wall mount dispenser until the cartridge locks into place. Check that the cartridge is securely in place by pulling down gently. Turn wall mount valve to "ON" position. Fill to desired container level. TO UNLOAD WALL MOUNT: Make sure wall mount unit valve is in the "OFF" position. Place one hand under the existing reload cartridge and press the red "To Release Cartridge Press" button and allow the cartridge to drop down into your hand. Place the cap back on cartridge and put back into storage rack. If cartridge is empty, discard according to local, state and federal regulations. Shut off water source to wall mount unit.

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.

### TECHNICAL SPECIFICATIONS

Appearance / Color .....Light Blue  
Odor .....Slight Solvent  
Shelf Life .....2 years  
Solubility in Water .....Complete  
Foaming .....None  
pH.....11.5 ± 0.5  
Specific Gravity .....0.976 ± 0.005  
Storage Temperature.....45-110 °F

### FEATURES & BENEFITS

- Wipes Clean and Fast
- Low Odor Formula
- Streak Free, No Smudges
- Concentrated Formula

001643
