

CITRUS CLEANER DEGREASER

Citrus Based

PRODUCT DESCRIPTION & BENEFITS

A new kind of cleaner with powerful organic citrus solvent. A “natural” for degreasing kitchen floors, fryers, stoves, air vents, air filtering systems, concrete surfaces and all kinds of indoor and outdoor cleaning. Totally free from toxins, acids, caustics, and alkalis. User safe. 100% biodegradable. Cleans and freshens naturally using citrus based solvents, one of nature’s most effective cleaner/deodorizers.

RECOMMENDED DILUTIONS:

Light Soil 1-2 oz./gal.
Medium Soil 2-4 oz./gal.
Heavy Soil 4-8 oz./gal.

DETAILED USAGE & INSTRUCTIONS

Before cleaning operations, remove or cover all food products and packaging materials from the area.

FOAM SYSTEMS: (1) Pre-rinse or manually remove gross soil from surfaces. (2) Fill a foamer container with CITRUS CLEANER DEGREASER. Do NOT dilute. (3) Attach container to the foaming equipment. (4) Spray foam generously on the surfaces to be cleaned. Warm water, preferably 100-120°F will accelerate cleaning. Allow foam to cling on the surfaces for at least 5 minutes, but do not allow to dry.

NOTE: For high pressure foam generating equipment, prepare a solution of CITRUS CLEANER DEGREASER at 1 to 10 ounces per gallon of water, depending on type of equipment.

MANUAL CLEANING: Prepare a solution of 1 part CITRUS CLEANER DEGREASER to 20-25 parts water, preferably warm at 100-120°F. Clean with a suitable means such as spray, sponge, mop, brush or others. Rinse with potable water. Wear rubber gloves for manual cleaning if hands will be immersed in solution.

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.

TECHNICAL SPECIFICATIONS

Appearance / ColorClear Yellow
Odor.....Citrus
Shelf Life2 years
Solubility in WaterComplete
FoamingNone
pH13.5 ± 0.3
Specific Gravity1.031 ± 0.005
Storage Temperature45-90 °F

FEATURES & BENEFITS

- Totally Free From Toxins, Acids, Caustics and Alkalis
- User Safe
- 100% Biodegradable
