

CLEAN N' GO

Enzyme Based Floor Cleaner

PRODUCT DESCRIPTION & BENEFITS

CLEAN N' GO is a pioneering break through in cleaning technology. Your floors will be cleaner and look better while saving you time and money. **CLEAN N' GO** is a proprietary blend of soil specific detergents and non-pathenogenic bacteria specifically designed to provide outstanding results on unglazed/unsealed floor surfaces such as quarry tile, ceramic, brick, concrete and porcelain. With daily use, **CLEAN N' GO** is so effective it virtually eliminates slip-and-fall accidents. Your floors will feel cleaner, grout lines will brighten, and because this product requires no rinsing, you'll save labor, time and money!

DETAILED USAGE & INSTRUCTIONS

PLACE "WET FLOOR" SIGNS AROUND AREA TO BE CLEANED.

- (1) Sweep and vacuum entire floor.
- (2) For daily floor cleaning dilute **CLEAN N' GO** at 1:64 (2 oz. per gallon of water).
- (3) Apply Clean N' Go solution to floor using a clean mop.
- (4) Allow solution to penetrate the grease and soil.
- (5) Scrub floor using a deck brush.
- (6) Mop up excess solution or squeegee towards floor drain.
- (7) Do not rinse, allow to air dry.

NOTE: For best results, floors should be cleaned immediately prior to closing, and the solution left on the floor and allowed to air dry overnight. If this product is used during hours of operation, excess solution should be removed using a squeegee or mop to prevent potential slip and fall accidents.

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.

TECHNICAL SPECIFICATIONS

Appearance / Color	Clear Green
Odor	Lemon Potpourri
Shelf Life	2 years
Solubility in Water.....	Complete
Foaming	None
pH	9.0 ± 0.5
Specific Gravity	1.038 ± 0.005
Storage Temperature.....	45-110 °F

FEATURES & BENEFITS

- No Foaming
- Cost Effective
- Fast Drying Performance
- Spotless, Streak-Free Drying
