

DISSOLVE

Heavy Duty Oven and Grill Cleaner

A highly alkaline, concentrated, light amber liquid containing detergents, emulsifiers, sequestering agents and penetrants which make an extremely effective and easy-to-use oven and grill cleaner.

Removes burned-on soil from ovens, grills, deep-fat fryers, stove burners and tops, griddles, filters, ventilating hoods and other steel, stainless steel, or porcelain surfaces.

- No scraping or scouring necessary.
- Foam stability
- Can be brushed, sprayed or foamed on surfaces
- Odorless
- Biodegradable

DETAILED USAGE & INSTRUCTIONS

For best results, heat oven to approximately 200°F, then turn off. Flow or spray cleaner on warm oven or grill. Allow the cleaner to do the work by remaining on the surface for 2 or more minutes. Wipe oven clean with a wet cloth or sponge. Heavily soiled surfaces may require a second application. Stubborn spots may require the use of a scouring pad. Works more slowly on cold surfaces. Apply as above and allow to work 5 to 30 minutes or until soil is softened. Always rinse all surfaces thoroughly with potable water after cleaning.

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.

TECHNICAL SPECIFICATIONS

Appearance / Color	Red
Odor	Neutral
Shelf Life	2 years
Solubility in Water	Complete
Foaming	None
pH	> 13.2
Specific Gravity.....	1.051 +/- 0.005
Storage Temperature.....	45-110 °F

FEATURES & BENEFITS

- Extra Power for the Toughest Soils
- Non-Flammable
- Dissolves Grease and Oil
- Removes Burned On Carbonized Soils

PRECAUTIONARY STATEMENTS

PREVENTION: Do not breathe dust/fume/gas/mist/vapors/spray. Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.

RESPONSE: Immediately call a POISON CENTER or doctor/physician.

FIRST AID

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting

KEEP OUT OF REACH OF CHILDREN.

DANGER

Causes severe skin burns & eye damage.
