

# FOAMING HAND SOAP

## Premium Foaming Soap

### PRODUCT DESCRIPTION & BENEFITS

**FOAMING HAND SOAP** is a blend of the highest quality detergents. Carefully formulated, this product will thoroughly clean without removing natural moisturizers from the skin. It lifts and suspends dirt/oils so they may be rinsed away even in hard water. **FOAMING HAND SOAP** is ready for use or may be diluted with equal parts water. For use as a prep soap, dilute with 70% alcohol for a tincture solution.

### RECOMMENDED USES:

- Schools
- Offices
- Factories
- Restaurants

### DETAILED USAGE & INSTRUCTIONS

Wet hands with warm water first. Dispense foaming hand soap into hands. Lather well beyond wrists. Work all surfaces thoroughly including wrists, palms, back of hands, fingers and under fingernails. Rub hands together for at least 15-20 seconds. Thoroughly rinse with clean, warm water-be sure not to touch sides of sink. Dry hands completely-use towel to turn off water and protect hands from re-soiling

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.

### TECHNICAL SPECIFICATIONS
