

LEMON SPRAY POLISH

Cleaning Waxing Polish

PRODUCT DESCRIPTION & BENEFITS

Trap dust in a fine lemon scented mist so it can't "fly away" as you clean. One quick spray and every dust cloth becomes a dust magnet, collecting and holding dirt for complete removal. Lemon Spray Polish is a safe liquid with just enough petroleum based solvent to cut greasy, oily film and fingerprints fast. Silicones make polishing friction-free. The dust cloth glides along leaving a bright, hard, dirt resistant shine in its path.

RECOMMENDED USES:

- Wood fixtures and furniture
- Formica counters
- Plastic and leather chairs
- Stainless steel display cases
- Office equipment
- Glass, plastic
- Almost any hard surface, except floors

PRECAUTION: Do NOT use on floors. Do NOT let spray mist fall on floor. This may make the floor slippery

DETAILED USAGE & INSTRUCTIONS

Shake well. Rotate nozzle to "on" position. Spray a fine mist onto the surface to be polished. Wipe off with a clean, soft, absorbent cloth, using a circular motion until surface is clean and bright. For small and hard-to-reach areas, spray directly onto cloth and wipe.

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.

TECHNICAL SPECIFICATIONS

Appearance / ColorOpaque White
OdorLemon
Shelf Life2 years
Solubility in WaterComplete
FoamingNone
pH7.5 ± 0.005
Specific Gravity0.99 ± 0.005
Storage Temperature.....45-110 °F

FEATURES & BENEFITS

- Stops Shifting, Fly-Away Dust
- Quickly Cleans, Conditions and Protects
- Lemon Fragrance Freshens Room Air
- Easy to Use
- Cleaned Surfaces Stay Bright and Film-Free
