

# N.B.C.

## Odorless Heavy Duty Cleaner/Degreaser

N.B.C. is formulated to dissolve tough vegetable and animal fat, petroleum oils, greases and carbon, all without the use of dangerous, volatile, high-odor solvents previously employed. Instead, N.B.C. relies upon a unique blend of synthetic wetting agents, alkaline builders and couplers which are safer than water-soluble solvents. There are no dangerous vapors. Minimal alkalinity makes it safer for both skin and clothing.

Versatile N.B.C. attacks all common soils and grease, so it eliminates the need for expensive limited-use products. Use it on floors, walls and ceilings, meat and food processing equipment, in kitchens, meat rooms and workrooms. Use it, simply, wherever grease and grime collect. Extra economy, too, thanks to N.B.C.'s special formulation, which allows it to be diluted more than ordinary solvent cleaners.

Easy to use and highly-effective, odorless N.B.C. rinses clean, leaving no film or haze. Surfaces shine.

### DETAILED USAGE & INSTRUCTIONS

**HEAVY DUTY CLEANING:** Dilute 1 to 10 in hot water to clean heavy encrusted soils and grease. Mop, spray, or wipe on, scrub with abrasive pad, and rinse off.

**NORMAL CLEANING:** Dilute 1 to 20 in warm water to clean most ordinary soils. Mop, spray or wipe on and wipe or rinse off as required. Works excellently through automatic scrubbers on concrete and through pressure sprayers at this dilution. May also be used as a hot tank cleaner.

**LIGHT DUTY CLEANING:** Dilute 1 to 40 in warm water to clean light soils such as fingermarks and smudges. Mop, spray or wipe on and wipe or rinse off as required. May be used through automatic scrubbers on composition flooring at this dilution.

**CAUTION:** DO NOT ALLOW TO DRY ON GLASS—MAY ETCH.

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.

### TECHNICAL SPECIFICATIONS

Appearance / Color .....	Clear Green
Odor .....	NIL
Shelf Life .....	2 years
Solubility in Water .....	Complete
Foaming .....	None
pH .....	12.5
Specific Gravity .....	1.043 ± 0.005
Storage Temperature.....	45-110 °F

### FEATURES & BENEFITS

- Free Rinsing
- Cleans and degreases all common soils and build-ups
- Can be diluted farther than ordinary solvents

### PRECAUTIONARY STATEMENTS

**PREVENTION:** Do not breathe dust/fume/gas/mist/vapors/spray. Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.

**RESPONSE:** Immediately call a POISON CENTER or doctor/physician.

### FIRST AID

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

**IF ON SKIN:** Wash with plenty of soap and water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash before reuse.

**IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing.

**IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting

### KEEP OUT OF REACH OF CHILDREN. DANGER

Causes skin irritation.  
Causes serious eye damage.
