

NEW DAY

Ultra Concentrated Pot & Pan Detergent

PRODUCT DESCRIPTION & BENEFITS

NEW DAY raises the standard against which all dishwashing liquids must be judged. Gone are wimpy suds and half-hearted cleaning. Now, through this extraordinary formula, grease and food residues are pulled from plates and pots and silverware by powerhouse suds, leaving dishware and utensils gleaming. The rich, stable suds rinse away completely leaving glassware, flatware, china and cooking utensils spotlessly clean and bright. Never a film to dull the shine. Finally, **NEW DAY**, with its expensive emollients, helps retain skin moisture and smooth hands.
