

PEROX-A-PEEL

Multi-Purpose Oxygen Cleaner

PRODUCT DESCRIPTION & BENEFITS

PEROX-A-PEEL is a combination of Hydrogen Peroxide, D-Limonene, and surfactants with a very pleasant perfume. Cuts through built-up soap scum on tile, glass shower doors, and fixtures. Can be used on a wide variety of surfaces eliminating the need to stock multiple products. Hydrogen Peroxide and D-Limonene are 100% natural ingredients which synergistically provide extraordinary cleaning abilities. The hydrogen peroxide breaks down organic matter at the molecular level. The D-limonene (derived from orange and lemon rinds) is a strong solvent to break down oil and protein based soils. A safe, non-toxic, chlorine free alternative for cleaning and stain removal.

DETAILED USAGE & INSTRUCTIONS

DIRECTIONS FOR USE: Mix with warm water at the suggested dilutions below. Apply to soiled surface, allow sufficient dwell time, agitate and rinse.

LIGHT DUTY CLEANING: Dilute Perox-A-Peel at 1 oz/gal of water (1:128) for damp mopping and general cleaning. Mop, spray or wipe on and wipe or rinse off as required.

NORMAL CLEANING: Dilute Perox-A-Peel at 4 oz/gal of water (1:32) for cleaning of floors, walls, Glass and Mirrors.

HEAVY DUTY CLEANING: Dilute Perox-A-Peel at 8 oz/gal of water (1:16) on all stubborn soils on concrete floors, machinery, bathroom surfaces, carpet spotting, etc.

CLOTH, VINYL AWNINGS and TENTS: For manual washing dilute 1:32 (4 OZ./GAL), spray or mop on and allow to stand to destain. Rinse and air dry. For tent washers add 16 to 32 OZ. per load.

RECOMMENDED USES:

- Glass Cleaner
- Neutral Floor Cleaner
- Carpet Spotter/Carpet Cleaner Detergent
- Deodorizer
- Stainless Steel Polish/Cleaner
- Restroom Cleaner
- Food Degreaser
- Tile & Grout Renovator

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.
