PRODUCT DESCRIPTION & BENEFITS

PINK SILK is a creamy, rich, hand, hair and body cleaning compound, for use in a variety of settings where effective skin care management is important. Gentle, effective cleaning of hands, hair and body. Built-in moisturizers and emollients leave skin clean, soft, deodorized and refreshed.

In the tub or shower, this creamy, pearalized soap produces luxurious lotion-soft lather that rinses away completely so skin stays healthy. Leaves your whole body feeling refreshed, clean and smooth.
