

SILK

Hand, Hair & Body Soap

PRODUCT DESCRIPTION & BENEFITS

SILK is a creamy, rich, hand, hair and body cleaning compound, for use in a variety of settings where effective skin care management is important. Gentle, effective cleaning of hands, hair and body. Built-in moisturizers and emollients leave skin clean, soft, deodorized and refreshed.

In the tub or shower, this creamy, pearlized soap produces luxurious lotion-soft lather that rinses away completely so skin stays healthy. Leaves your whole body feeling refreshed, clean and smooth.

As a hair shampoo, the rich suds lift and suspend dirt and oil so they can be rinsed away. Moisturizers leave hair soft, full of body and easy to style.

DETAILED USAGE & INSTRUCTIONS

Fill wall dispenser, pump dispenser or squeeze bottle with undiluted Silk.

Apply directly to wet skin or hair and work up a rich creamy lather. Rinse thoroughly.

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.
