

SUPERPHOAM

Foaming Acid Cleaner Descaler

PRODUCT DESCRIPTION & BENEFITS

This remarkable acid cleaner saves time and labor. High foam clings to vertical walls, surfaces and fixtures. Now you can foam instead of scrub. The clinging foam generated by this product penetrates and lifts soils and lime and allows them to be rinsed away easily.

SUPERPHOAM safely removes calcium, magnesium and other tough water deposits without harsh irritating acid vapors. Buffered formulation is safe on porcelain, chrome, plastic and grouted surfaces.

SUPERPHOAM contains a blend of mild organic and inorganic acids, synthetic wetting agents and a special additive to cut grease and soap scum.

RECOMMENDED USES: High Pressure Foam Systems, Bathroom Cleaning, Shower Rooms, Athletic Facilities, General Cleaning, Air Conditioning Coils, Ceramic Tiles, Faucet Spouts, Water Fountains, and Kitchen Steamers.

DETAILED USAGE & INSTRUCTIONS

DIRECTIONS FOR USE: Mix with warm water at the suggested dilutions below. Apply to soiled surface, allow sufficient dwell time, agitate and rinse.

FOR DAILY CLEANING OF Bathtubs, Wash Basins, Shower Stalls, Drinking Fountains: SuperpHoam with 5 parts water. Rinse thoroughly with water.

FOR DAILY CLEANING OF Tile, Porcelain: Dilute SuperpHoam with 5 parts water. After cleaning, rinse with water or go over with wet sponge or cloth.

TOILET BOWL CLEANING AND DEODORIZING: To remove calcium and rust incrustations, discolorations, and other deposits, flush toilet, then force water over the trap using a swab. Press swab against bowl to press out water. (1) Apply SuperpHoam full strength to swab. (2) Swab bowl, including the flush ring which will remove rust and stains. (3) Rinse toilet bowl by flushing.

FOR CLEANING AND DEODORIZING URINALS: Flush urinal, then apply cleaner to swab and rub away discoloration and stains. Pour one or two ounces into urinal, apply cleaner to swab and allow to stand several minutes to remove odor in trap.

NOTE: Do not use on marble or terrazzo.

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.

TECHNICAL SPECIFICATIONS

Appearance / Color	Green
Odor	spearmint
Shelf Life	2 years
Solubility in Water	Complete
Foaming	None
pH	1.3 ± 0.005
Specific Gravity	1.026 ± 0.005
Storage Temperature.....	45-110 °F

FEATURES & BENEFITS

- Clings to Vertical Surfaces
- Safe on Most Metal Surfaces
- Cleans Without Abrasives
- No Offensive Fumes
- Dissolves Hard Water Minerals
- Attacks Soap Scum; Rinses Freely
