

SPECTACULAR

Chlorinated Machine Detergent

PRODUCT DESCRIPTION & BENEFITS

The first liquid with “powder power”. In the ongoing battle of liquids versus powders, here’s a liquid that’s a surefire winner. From glasses, to pots and pans, sPECKtacular removes tough soils and at the same time, it keeps the dish machine scale-free and shiny clean. sPECKtacular defies the belief that liquid detergents are not effective in hard water and heavy soil. This high concentration of strong alkalis, water softening phosphates and anti-corrosive silicates cleans dishes thoroughly and economically and the chlorine additive destains them completely.

DETAILED USAGE & INSTRUCTIONS

Open shipping container by removing cap or bung. Check foot strainer and feed tube. Clean, if necessary. Insert feed tube into bottom of container. Cycle machine to ensure proper feeding. Detergent control will maintain proper concentration.

RECOMMENDED USES:

Use in electronic dispenser or hand feeder, to clean: Glasses, Dishes, Silverware, Pots and Pans

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.

TECHNICAL SPECIFICATIONS

Appearance / ColorLight Amber
Odor.....Chlorine
Shelf Life2 years
Solubility in WaterComplete
FoamingNone
pH13.8 ± 0.5
Specific Gravity1.349 ± 0.005
Storage Temperature.....45-110 °F

FEATURES & BENEFITS

- Dispenses Easily
- Removes Tough Soils
- Cleans With the Power of Powder
- Leaves Dishes Spot-Free
- Keeps Machine Scale-Free and Clean
