

DRAIN CLEANER

Alkaline Drain Treatment

PRODUCT DESCRIPTION & BENEFITS

DRAIN CLEANER penetrates and dissolves tough clogs fast and easy. Cuts through standing water to clear fully clogged and slow running drains. Remove hair, grease, soap scum and more. Safe for use in garbage disposals, septic systems and PVC pipes. Treat your drains once each week. Saves time, saves work and saves money.

DETAILED USAGE & INSTRUCTIONS

DRAINS, COMPLETELY CLOGGED: Remove any standing water and pour 2 cups DRAIN CLEANER in drain, add 2 cups hot water. Let stand overnight. For large floor drains, pour 3 cups pipe opener in drain and follow with hot water.

DRAINS, SEMI-CLOGGED: Pour 1 cup DRAIN CLEANER in drain, wait 30 minutes and follow with hot water.

DISPOSALS: To keep disposals efficient, pour 1/2 cup DRAIN CLEANER in disposal and allow to stand for 15 minutes. Flush with hot water.

IMPORTANT NOTE: Hospitals, hotels and institutions should treat basement drains first, then upper floors. By the time top level is reached all drains will be free flowing.

AUTOMATIC CLOTHES WASHERS: To keep washer valves and pump free of lint and film, once each week pour 1/2 cup DRAIN CLEANER in washer. Allow to run through one rinse-drain cycle.

RECOMMENDED USES: Food Processing, Food Service, Drains, Grease Traps, Sump Pits, Wash Machines, Industrial and Manufacturing Facilities

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.

TECHNICAL SPECIFICATIONS

Appearance / ColorClear
OdorSlight
Shelf Life2 years
Solubility in WaterComplete
FoamingNone
pH13.5 ± 0.005
Specific Gravity1.086 ± 0.005
Storage Temperature.....45-110 °F

FEATURES & BENEFITS

- Odorless
- Fast Acting
- Highly Concentrated
- Goes Directly to the Source of the Clog
