DETAILED USAGE & INSTRUCTIONS

In Dumpsters, compactors, garbage cans and disposal trucks: DUMPSTER FRESH is most effective when applied immediately after container has been emptied or unloaded. Sprinkle DUMPSTER FRESH on the bottom of the container to absorb and deodorize excess moisture. Continue to add DUMPSTER FRESH to the top of the refuse as the container fills up.

For Floors (indoors and outdoors): DUMPSTER FRESH may also be added to sweeping compound and applied directly to the floor in large areas where strong odors exist. Simply sweep in usual manner.

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.
