

FREE N EASY

No Rinse Floor Stripper

PRODUCT DESCRIPTION & BENEFITS

FREE N EASY is a concentrated finish stripper that frees you from machine scrubbing, flood rinsing and neutralizing. No more stripping pads and no more extended floor downtime. This non-ammoniated mop-on formula penetrates deep, softens and lifts water based metal interlocked finishes so they can be easily picked up with a clean mop or wet vac. **FREE N EASY** was designed for stripping resilient flooring and should NOT be used on painted surfaces, wood, linoleum or rubber. It may soften or bleach these materials.

COVERAGE: 200-400 sq. ft./RTU/gal. for proper film formation.

FEATURES & BENEFITS: Saves Labor Costs, Works well in all water temperatures, Concentrated Wax and Finish Remover, Economical, and Removes most polymer finishes and wax coatings.

DETAILED USAGE & INSTRUCTIONS

STRIP & RE-COAT: Dust mop entire area to be stripped. Remove gum labels and sticky waste with a scraper. Place "Wet Floor" signs around area to be stripped. Prepare **FREE N EASY** floor stripper solution.

SUGGESTED DILUTIONS: 4:1 for heavy-duty build-up; 8:1 for medium duty build-up; 16:1 for light duty build-up. Liberally apply stripping solution to the floor. Allow product to remain on surface for 6-8 minutes. Manually scrub all corners and edges that the machine cannot reach. Scrub the floor with a machine equipped with appropriate stripping pad or brush. Do not allow stripping solution to dry onto floor. If this occurs, re-wet surface with stripping solution and scrub. Pick up the stripping solution with a wet vac. Damp mop area including all corners and edges with clean, water. Allow floor to air dry thoroughly before applying sealer or finish.

NOTE: Asphalt tile and rubber flooring could be affected by stripping solutions in high concentrations. Always test floor before proceeding. It is recommended that protective gloves and eyewear be worn when using this product.

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.

TECHNICAL SPECIFICATIONS

Appearance / Color	Clear
Odor	Glycol Ether
Shelf Life	2 years
Foaming	None
Solubility in Water	Complete
pH	13.2 ± 0.5
Specific Gravity	0.978 ± 0.005
Storage Temperature.....	45-110 °F

FEATURES & BENEFITS

- No rinse
- Economical
- Thorough stripping
- Mop or machine use
- Concentrated wax and finish remover
- Removes most polymer finishes and wax coatings
- Saves labor costs, works well in all water temperatures
