

GLISTEN

Thickened Non Acid Restroom Cleaner

PRODUCT DESCRIPTION & BENEFITS

GLISTEN is the ideal everyday bowl and urinal cleaner. Safe on all the hard surfaces found in institutional restrooms and showers. Detergents remove organic soils thoroughly and deodorizers remove unpleasant odors. Glisten's pleasing fragrance leaves the restroom smelling fresh and clean for hours. Use every day to keep restroom bowls and urinals sparkling and fresh smelling. Regular use eliminates the need for harsh "crash" cleaners. Keeps shower stall walls, floors and spa areas clean and free of sticky soap scum and mineral build-up. GLISTEN's pleasant scent and safe-to-handle formula encourages regular use and reduces the risk of serious employee injury or damage to expensive surfaces. Put this safe cleaner to work everywhere water splashes, spills and stands.

DETAILED USAGE & INSTRUCTIONS

DIRECTIONS FOR USE: Mix with warm water at the suggested dilutions below. Apply to soiled surface, allow sufficient dwell time, agitate and rinse.

TOILET BOWLS AND URINALS: With bowl mop, remove water from bowl by forcing over trap, remove excess water with mop. Squirt 1 to 2 oz. of GLISTEN evenly in bowl. Swab entire bowl, particularly under rim and around outlets. Allow surface to remain wet for 10 minutes. Flush toilet or urinals and rinse bowl mop.

PORCELAIN, GLAZED TILE, FLOORS AND OTHER NON-POROUS SURFACES: Apply GLISTEN full strength with a cloth, sponge, sprayer or mop. Allow surface to remain wet for several minutes. Rinse thoroughly.

SPECIAL INSTRUCTIONS: Rinse surface thoroughly after use. Wash hands with soap and water after handling. Follow label directions and avoid splashing into eyes or on skin. It is recommended that protective gloves and eyewear be worn when using this product.

RECOMMENDED USES:

- Toilet Bowls, Urinals, Shower Stalls, Spa and Steam Rooms, Water Fountains, Restroom Floors
- All Hard, Non-Porous Surfaces that are in Frequent Contact with Water
- Wash Basins, Bathtubs, Stainless Steel Faucets and Fixtures • Tile & Grout Renovator

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.
