

# PEPCO SHINE

## Dust Mop Treatment

### PRODUCT DESCRIPTION & BENEFITS

Treat your mop with Pepco Shine and clean up! Dust, grit and other abrasive dirt will cling to the mop until you release it with a vigorous shake. A transparent, non-staining, ultra light oil for pretreating mops and dust cloths. Safe on a multitude of materials, such as wood, vinyl, asbestos tile, asphalt and rubber tile, linoleum, metal cabinets, stainless steel, etc. The natural oils in this product nourish wood floors, paneling and furniture. Regular use will enhance their beauty. Picks up dirt before it grinds in, thus extending the useful life of floors. Controls dust in warehouses and polishes stainless steel. Wipe it on bare metal to prevent rust. It forms a barrier to shut out moisture and slow oxidation.

### DETAILED USAGE & INSTRUCTIONS

**PREPARATION:** (1) For new or newly laundered dust mops, apply 2 ounces of PEPCO SHINE to each 6 inches of dust mop. (Example: use 12oz for a 36" dust mop). (2) Apply PEPCO SHINE evenly over the top of the dust mop. (3) Fold the mop and place in a plastic bag for at least 12 hours to allow PEPCO SHINE to work through the fibers.

**RETREAT THE DUST MOP WHEN THE DUST IS NOT HELD IN CLUMPS:** (1) Brush out excess dust and soil from the mop. (2) Re-apply PEPCO SHINE evenly to the mop. (3) Fold the mop and place in a plastic bag for at least 12 hours to allow PEPCO SHINE to work through the fibers. Launder or discard mops when they become extremely soiled. Do not use on wet floors.

**NOTE:** CONTAINS PETROLEUM DISTILLATES.

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.

### TECHNICAL SPECIFICATIONS

Appearance / Color .....	Amber
Odor.....	Slight Banana
Shelf Life .....	2 years
Foaming .....	None
Solubility in Water .....	Complete
pH .....	8.1 ± 0.5
Specific Gravity .....	0.995 ± 0.005
Storage Temperature.....	45-110 °F

### FEATURES & BENEFITS

- Variety of Applications
- Controls Dust
- Attracts Dust
- Economical/Labor Saving
