

SILVER SHINE PLUS

Flatware Presoak

PRODUCT DESCRIPTION & BENEFITS

SILVER SHINE PLUS is a double use product. First, as an effective presoak for stainless flatware and dishes. Second, as a chemical detarnishing agent for sterling and silver plated hollowware and flatware. As a presoak, simply fill the sink or soak tank with SILVER SHINE PLUS, immerse utensils to soften dried food deposits, rack, and machine process as usual. Removes egg yolk, cheese, and other sticky residues.

DETAILED USAGE & INSTRUCTIONS

DIRECTIONS FOR USE: STAINLESS FLATWARE : Prepare a warm or hot water solution in a dishpan. Soak flatware for several minutes in the solution, sort and place stainless in utensil cups and cycle in your dishwasher. **SILVERWARE :** Line a dishpan with clean aluminum foil or place clean detarnishing plates in the bottom. Prepare a warm or hot water solution in the dishpan. Immerse silverware completely in solution and allow to soak for several minutes. Remove and rinse thoroughly, place in utensil cups and cycle through dishwasher.

SPECIAL INSTRUCTIONS: To detarnish silver, follow package directions. Either detarnishing plates or clean aluminum foil must be present to activate chemical process.

WALLMOUNT OPERATING PROCEDURES: TO LOAD WALL MOUNT: Turn on water source to wallmount unit. Uncap the reload cartridge. Firmly place one hand on top of the wall mount dispenser. Holding the APM cartridge from the bottom, push it UP into the APM wallmount dispenser until the cartridge locks into place. Let go of the APM cartridge. Check that the APM cartridge is securely in place by pulling down gently. Turn wallmount valve to "ON" position. Fill to desired container level. **TO UNLOAD WALL MOUNT:** Make sure wall mount unit valve is in the "OFF" position. Place one hand under the existing reload cartridge and press the red "To Release Cartridge Press" button and allow the APM cartridge to drop down into your hand. Place the cap back on cartridge and put back into storage rack. If cartridge is empty, discard according to local, state and federal regulations. Shut off water source to wall mount unit.

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.

TECHNICAL SPECIFICATIONS

Appearance / ColorOpal Yellow
OdorPine
Shelf Life2 years
Solubility in WaterComplete
FoamingNone
pH13.0 ± 0.05
Specific Gravity1.144 ± 0.005
Storage Temperature.....45-110 °F

FEATURES & BENEFITS

- Low Foaming
- Chemical Action
