

# SOLID SILVER SHINE

## Solid Flatware Presoak with Enzymes

### PRODUCT DESCRIPTION & BENEFITS

**SOLID SILVER SHINE** is a super effective presoak in the dish pantry where flatware rejects are a major problem. It has an exceptional blend of surfactants and enzymes that quickly penetrate, emulsify and lift dried egg yolk, cheese and other difficult-to-remove proteins from flatware. Use it to presoak gravy boats, French onion soup crocks, reusable seafood shells and other hard-to-clean items. **SOLID SILVER SHINE** also detarnishes silver and silver plate quickly without rubbing. Cleans even ornate debossed or embossed patterns thoroughly. **SOLID SILVER SHINE** “destains” — it does NOT remove the surface layer of metal.

### DETAILED USAGE & INSTRUCTIONS

Use only in APPROVED DISPENSERS.  
Do NOT mix with anything other than water.  
Do NOT REMOVE CAPSULE UNTIL IT IS EMPTY.

**OPERATING INSTRUCTIONS:** (1) To remove empty container, carefully lift from dispenser, turn upright and use cover from new container to close empty container. (2) Place new container open end down in dispenser. (3) Dispose of used container immediately. Do Not reuse empty container.

**DIRECTIONS FOR USE:** (1) Fill container with **SOLID SILVER SHINE** solution using presoak dispenser. Soak flatware for 15 minutes. (2) Remove and place flatware in flat rack. Rinse thoroughly. Run flatware through the dishmachine one time. (3) Place flatware in flatware containers with handles facing down. Run the flatware through the dishmachine again. (4) Transfer into another flatware container without touching the flatware to ensure proper sanitary conditions.

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.

### TECHNICAL SPECIFICATIONS

Appearance / Color.....Blue  
Odor .....Neutral  
Shelf Life .....2 years  
Solubility in Water.....Complete  
Foaming .....None  
pH.....11.5 ± 0.5  
Storage Temperature.....45-110 °F

### FEATURES & BENEFITS

- Safe: Non-Corrosive, Non-Abrasive
- Controlled Dispensing: Prevents Overuse
- Effective: Gives Tableware A “Just Polished” Look
- Economical: No Waste
- Blue Color Indicates Product Is In The Presoak Solution
