

TRIPLE PLAY

Solid Laundry Detergent/with Extras

PRODUCT DESCRIPTION & BENEFITS

A “one-shot” detergent! This built surfactant contains a blend of buffered alkalis, mild detergents and water-conditioning agents. Ideal for towels, sheets and pillowcases in hotel/motel laundries and retirement centers. TRIPLE PLAY cleans superbly without alkaline additives even in low water temperatures. The all-fabric bleach removes stains but will not fade colorfast dyes. A full-strength fabric softener, it fluffs and relaxes fibers for a silky smooth feel and the residual fragrance keeps linens fresh smelling for days. All you add is water!

DETAILED USAGE & INSTRUCTIONS

Use only in APPROVED DISPENSERS.
Do NOT mix with anything other than water.
Do NOT REMOVE CAPSULE UNTIL IT IS EMPTY.

DIRECTIONS FOR USE: To remove empty container, carefully lift from dispenser, turn upright and use cover from new container to close empty container. Place new container open end down in dispenser. Dispose of used container immediately. Do Not reuse empty container.

SPECIAL INSTRUCTIONS: Commercial Machines: Add to suds bath only (NOTE: High alkalis should NOT be added in the same bath.) Household Machines: Add to the suds cycle. Ask your laundry specialist for specific directions and use concentrations. Read and follow the Apparel or Linen Manufacturer’s Fabric Care Instructions.

RECOMMENDED USES: Hotel/Motel Linens - Sheets, Pillowcases, Towels, Nursing Home Resident-Care and Retirement Center Linens, Hospital Scrubs, Drapes and Patient Care Linens, Shirt Laundries and League Sports Uniforms, Spa, Health Club and Pool Towels

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.
