

# X STAIN

## 10% Powdered Bleach

### PRODUCT DESCRIPTION & BENEFITS

**X STAIN** is a free flowing granular powder that supplements detergent admirably. It contains a special slow-release chlorine source which oxidizes stains and tough soils as no detergent alone can. When used as directed, it is safe on any colorfast fabric including whites, permanent press and some colored items.

### RECOMMENDED USES:

- Commercial and On-Premise Laundry
- For the Laundry Wheel and as a Presoak

### DETAILED USAGE & INSTRUCTIONS

**NOTE:** Bleach should never be added directly to dry clothing.

Pre-dissolve in wash water before adding clothes or add to dispenser cup where it is properly flushed. into machine.

**COMMERCIAL MACHINES:** Add 1/8 cup (1 oz.) up to 1/4 cup (2 oz.) in suds or bleach cycle. For larger machines, consult your usage chart or sales representative for the amount to add to your machine.

Contains isocyanurate, sodium carbonates and sodium phosphates. Do not use with ammonia or toilet bowl cleaners. To do so may release hazardous gasses.

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.
